Re: Summary of Kessler's June 21 Testimony

Dear Buffy:

Enclosed please find the memorandum you requested regarding FDA Commissioner David Kessler's June 21, 1994 testimony before the Waxman Subcommittee. This memorandum summarizes the hearing on an issue-by-issue basis. It also provides a summary of all documents the Subcommittee requested from Dr. Kessler, all documents Dr. Kessler indicated he would like from the tobacco companies and a series of charts presented at the hearing. (For your convenience, copies of these charts are attached to the memorandum.)

We hope you find the memorandum useful. Please feel free to call either one of us if you have additional follow-up questions about this hearing.

Sincerely,

[Handwritten signatures]
Sonia P. Fois
